

Welcome to Command Performance!

NEW! Check out "The Cheater's Bible" — Five rare gambling catalogues, plus special bonuses!

To keep up-to-date on the cutting edge of marketing info, subscribe to Phil's mailing list.

Not a member? Here's what you've missed in the last few issues:

- How to get EVERY SINGLE DOMAIN that has one of your keywords in it. For either espionage, or... if you're merciful... joint ventures.
- The current change with Google, and how disabled keywords are a thing of the past... or are they?
- Six ways to spot niche markets about to "bloom"...

And more! Naturally, you can unsubscribe at anytime... but why would you?

And no. I won't rent, lend, or sell your name to anyone else... period. Sign me up!
